3. Subject of Request

Place an "X" in the "Mark" column for each applicable request.

Request	Mark
To learn whether my personal data is being processed.	
To request information if my personal data has been processed.	
To learn the purpose of processing my personal data and whether it is being used in accordance with that purpose.	

Request	Mark
To learn the third parties to whom my personal data has been transferred within Türkiye or abroad.	
To request correction of my personal data if it has been processed incompletely or inaccurately.	
To request deletion or destruction of my personal data under the conditions prescribed by the Law.	
To request notification of correction, deletion or destruction operations to third parties to whom my personal data has been transferred.	
To object to a result arising against me through analysis of my processed data exclusively by automated systems.	
To request compensation for damage suffered as a result of unlawful processing of my personal data.	

Description of your request

Please provide, to the extent possible, the transaction, date, record, e-mail or application information relevant to your request.

Documents attached to your application (if any)

4. Response Preference

Response Method	Mark
I would like the response to be sent to my postal address for service.	
I would like the response to be sent to my KEP address.	
I would like the response to be sent to my e-mail address previously registered in IC Intechron's systems.	

5. Declaration and Signature

I acknowledge that the information I have provided in this application is accurate and up to date, and that IC Intechron may request additional information or documents that are necessary and proportionate for the purposes of processing my application and verifying my identity. Where the processing of the application requires an additional cost, the fee set by the Turkish Personal Data Protection Board may apply.

Applications are concluded as soon as possible and in any event within 30 days depending on the nature of the request.
